## LOCATION

Tidelines is one of those very special opportunities to acquire a very luxurious apartment located on Pentire Avenue. The apartments are carefully planned to face the direction of Fistral Beach and enjoy views across Fistral Bay and surrounding coastline. A very short walk away, Fistral Beach is a world class surfing destination with many national and international championships taking place along its sandy shore. On the other side of Pentire Headland and across the Gannel Estuary is the slightly less well known and more rugged Crantock Beach which is backed by high dunes in the ownership of the National Trust protecting the beautiful old village beyond.

The town of Newquay caters for all day to day needs with plenty of national retailers, mixed with locally owned shops and profusion of restaurants and bistros. The cathedral city of Truro is approximately 12 miles away to the south, providing first class shopping, business and commercial facilities, together with private schooling and a mainline railway station to Penzance to Paddington line, with a journey time of approximately 4½ hours to London. Cornwall Airport Newquay is 6 miles away offering daily flights to a number of destinations, making this one of the most conveniently located as well as dramatically situated opportunities along the north coast of Cornwall.
